

A 5 YEAR OLD BLACK CATS' PLEA

by

Tamara S. Lavitt

My name is Princess,
And I need a new friend,
Someone with kindness,
And time they will spend!

I won't cost you much,
'Cuz from my owner is free,
My equipment and such,
Food, supplies, oh yes...even me!

Your house won't get pawed,
And I won't be in your way,
'Cuz my "fronts" are declawed,
And I've even been spayed!

I prefer a home without pets,
And a non-working person or two,
I need all the love I can get,
Do you think I'm the right
pet for YOU?
